Coherence & Fluency		8.0		
Layout & Structure		5.0		
Mean percentage score			85%	
Overall IELTS equivalency score:			8.0	

Comment from Examiner:

The Reading and Writing are at a high level. The writing was marked down because of the brevity of the sample provided. However what was presented was at a high standard.
Santiago lives in Dublin now and will be using English on a daily basis. His communicative skills are already strong and he has no problems with communicating ideas in English on a range of diverse subjects.
This is a good pass.
